DAY CAMP

•Things that are important•

NAME OF EMPLOYEE _____

POSITION _____

Please read the following statements and sign below:

We are trying to share the love of Jesus Christ with campers and their families during the summer.

Our **behavior** is important. Staff need to refrain from the use of alcohol, tobacco, drugs, etc. while working as a Day Camp employee. This includes time away from Day Camp. Campers and their parents can and do see you in public and consider you a role model. Your lifestyle should be one of purity and modeling Christ-centered behavior at all times.

Our **appearance** is important. We will ask you to dress in a way that is modest and sets a good example for the campers. Staff need to practice good hygiene. Exact guidelines are given during training.

Our lack of **communication** is important. Staff cannot use cell phones or other media devices while at work. They are to be turned in to the Director each day upon arrival at work. Our main focus is the children.

Our **theology** is important. While Westbury is willing to hire staff with different denominational backgrounds, we insist that staff never teach or interpret doctrine in a way that would conflict with basic Baptist beliefs.

Our **work ethic** is important. Staff are expected to be at work on time and to work hard while on the clock. When one person is lazy or goofs off, then other employees have to work harder to take up the slack. The best employees are those who need the least amount of supervision.

I have read, understand, and agree to abide by the above statements, if hired to work in the Day Camp program.
