

CAMP WESTBURY WORKERS

WBC employs many different workers for the summer.

Counselors are college age or older and have experience working with children.

Assistant counselors are age 16 or older and are assigned to work with a counselor.

Recreation assistants are age 15 or older and help with the general work of our camps.

Sometimes **specialists** are hired to perform specific tasks such as crafts, sports skills, bookkeeping, etc. Specialists are college age or older.

All workers receive intensive training prior to Camp. Counselors, assistant counselors, and specialists are trained in First Aid, CPR, Archery, B-B guns, and are exposed to all sport skills and crafts. A background check is performed on all Camp workers.

Christian beliefs and lifestyle are very important considerations when Camp workers are hired.
