Classroom Activities Goals and Curriculum

Throughout the day children are encouraged to create, move, build, negotiate explore, relax and respond. Children will hear that God loves them and simple Bible thoughts will be presented. We strive to provide a safe, clean and Christian atmosphere for our youngest friends. It is our sincere desire to promote supportive relationships with all our families. Communication is enhanced with daily activity sheets and newsletters. Emphasis is placed on social growth, sensorial learning experiences and acquiring language skills. A music specialist visits the classrooms each Monday and Friday to sing, teach finger plays, and provide a variety of musical experiences.
